GIVING BACK TO OUR COMMUNITY!

THE LIONS LEGACY

For over a century, Lions across the world have volunteered their time and resources to assist the most vulnerable in our communities through service work. Where there is a need, there's a Lion!

WHAT WE DO

Lions Clubs concentrate on serving the needs identified within their own communities. We can manage any project deemed appropriate. Globally, Lions have eight main areas of service, namely:

- Vision
- Hunger Alleviation
- Environment
- Diabetes
- Childhood Cancer
- Youth Development
- Humanitarian Relief
- Disaster Relief

MIDRAND LIONS

Our Club was established in 1988 and since then, we have been service in the greater area in many areas, not only the main service areas.

Our volunteer members are passionate about making a difference in the lives of those in need around us!

All Clubs are run on strict financial controls and we have a constitution that regulates how we operate.
